BE READY, BE SAFE FOR EARTHQUAKES: A CHILD'S GUIDE TO PREPAREDNESS, by Libby & Tina Lafferty, (c) 1994, is a children's coloring/activity book designed for school children up through 4th grade & appropriate for older preschool children on a one-to-one basis. This 32-page guide provides a sensitive, caring way to prepare children for future earthquakes & helps them deal with the stressful memories & aftershocks associated with past events. Because earthquakes occur without warning & children may be on their own when the earth starts shaking, this book is especially important. Along with teaching children to respond appropriately in a variety of situations, it includes information on: what causes earthquakes; how to make their bedrooms safe; planning & preparing with the family; & what happens after a damaging earthquake, including how it feels. We are finding that it is also helpful as a review for parents & older brothers & sisters. For a single copy, send \$3.50 (plus tax in CA) to: Lafferty & Associates, Inc., P.O. Box 1026, La Canada, CA 91012, specify English or Spanish. For quantity price breaks & information, write, call (818) 952-5483 or FAX (818) 952-9131.
